Re: Request for Partnership

To: Whom It May Concern

Victory Outreach is a non-profit corporation that is dedicated to giving hope and restoring lives. One of our efforts is to support families who may have been affected by addiction and are in need of encouragement. Our ministry has been established in Southern California for over 55 years. We have hosted a back pack outreach, trunk or treat, Christmas Outreach and have a free of charge live in recovery home for men.

We are going to host our **4th annual Hope Fest** for up to 500 people on October 17, 2026. This event is designed to provide a positive, fun and safe environment for families. We also have resources for prevention and intervention from drugs, violence, and poor decision making. The day will include activities for children, inspiring live music, powerful testimonies, a car show and booths with resources and support. Our church will be providing all of the volunteers, donations and facilities to host the event. **We are looking for hope partners, such as yours, to help make this event successful. Please see the following page with details regarding our Hope Sponsor Partner incentives.** All donations are tax-deductible.

Thank you for your time.

Sincerely,

Ana Gomez

Event Coordinator
